PRESERVATION**  
*Protecting What Matters*

## Restoration Begins at The Old Lutheran Church

Work is set to begin on the Tower portion of the structure during the month of July. All architectural details will be replaced as necessary using upgraded building materials. A new entry stoop will be constructed from brick and mortar with railings included. Mike Teft Construction will be doing the work. Angelo Gatto will be completing the masonry. The building has been owned by Franklin Preservation since 2015. Many interior projects have been accomplished to date. The Church has been the site of Saved! a Sale of Cast-Offs and Collectables and a Tiki BBQ Party. The success of these events and other fundraisers have allowed Franklin Preservation to begin the long process of returning the building to its former glory.

We invite you to keep an eye on the project and to consider a donation or attendance at one of our functions.

Franklin Preservation received a \$27,000 Pennsylvania Keystone Grant in June. This money will be matched by funds from all of our generous donors and will go toward the replacement of the roof. Flashing, gutters and shingles will be replaced with appropriate materials.

### Picnic and Comedy Night

Franklin Preservation held a Family Picnic at the Church on Saturday, July 6 from 4 pm - 9 pm. The Log Cabin Family Food Truck provided food at the site.

## School Tours

Member Tammy Bell coordinated the annual School Tour throughout the City of Franklin on May 3. Participants were the 9th grade accelerated students of Tara Anderson, a history teacher from Rocky Grove High School.

Accompanying her was Hannah Daily, English teacher. Approximately 22 students learned of the significant architecture and history of sites including Anderson Furniture, Civil War Monument, Parkview Apartments, Old Lutheran Church, Liberty Building, DeBence, and Venango County Historical Society.

They were treated to lunch in the third floor ballroom of DeBence Music Museum.

The School Tours have been running for over 15 years as an extension of the Barbara Wohlstein Essay Contest.

Interestingly, Tara Anderson was a winner of the essay contest and has since become a teacher at Rocky Grove High School.
